Overview

miPLACE is an initiative led and organized by Oakland Schools that offers a virtual learning space for K-12 public educators.

This portal offers professional development in the form of instructor-led courses, webinars, and independent learning modules, as well as the opportunity to collaborate with other educators in a user-driven environment.

If you have questions about membership, please contact [Sue Kiersey](#) at 248.209.2152, or talk with any Oakland Schools consultant that you may be working with.
