Sign in and Sync Google Chrome

ⓘ   These steps need to be completed for each unique computer that you sign in to.

Signing in to Google Chrome with your work email has many benefits. This will import and sync all bookmarks, Chrome apps and extensions, and settings associated with your work email account.

Sign in to the computer with your account. To sign in to Google Chrome, follow these steps :

1. Open Google Chrome.
2. In the top right corner of Chrome, click on the **Person** icon. Click **Sign in to Chrome.**
3. Enter your email address and password and click **Sign in**.
4. When asked if you would like to link your Chrome data to this account, click **Link data**.
